ANNUAL MEETING OHIO BUILDING ASSOCIATION

Officials of the Fulton County Building, Loan and Savings Company of Wauseon will go to Cedar Point, August 23, for the annual meeting of the Ohio Building Association.

The building and loan men will have a three day meeting during which time they will hear William Mather Lewis, recently of the United States Treasury Department; John J. Stodard, John R. Cassidy, tax expert; Don L. Tobin, advertising specialist and others.

According to Secretary James A. Devine, of the Ohio Building Association, this meeting of the building and loan men will be of extreme importance. The great need for homes is a problem that can be solved only by the building and loan companies, said Devine. He declared that when investors turned from wildcat schemes to institutions of recognized safety, there would be plenty of money with which to build homes.

CHANGE IN BUSINESS FIRM

E. R. Sanders has purchased one half interest in the business of D. W. Myers. The new firm will continue to distribute Hinman Milkers in Ohio and Michigan under the firm name of Myers and Sanders.

Mr. E. R. Sanders has been Director of the Hinman Sales Organization for the United States for over two years. The Hinman business has prospered greatly in these two states under the direction of Mr. Myers, and has been for several years the largest distributing agency of Hinman Milkers in the United States.

Mr. Sanders will move to Wauseon about the 1st of September, having leased the Earl Edgar property on Oak Street. Mr. Sanders at present resides at 809 Monroe Street, Valparaiso, Ind.

The Hinman Milker is the oldest of all milkers, and there are many in use as all other makes combined. The new firm will continue business at the same location as has been used by Mr. Myers for a number of years.

We are glad to welcome Mr. Sanders to Wauseon.

DELTA FOLKS KILLED ON B. AND O. TRACK

Returning to their home in Delta from a camp meeting at Portage early Sunday evening, six persons were killed outright when the automobile in which they were riding was run down by a Baltimore and Ohio train at a crossing two miles north of Weston. The dead are: George Burditt, 31; Mrs. George Burditt, 35; Harold Burditt, 12; Joseph Oberly, 75; Opal Oberly and Mrs. John Miller.

ROSA BELLE BUSHEY

Rosa Belle, daughter of Geo. and Jane Bushey was born in Gorham Township Fulton County November 4, 1899. Died at the home of her parents in Wauseon August 9, 1921 aged 21 years 9 months and 5 days.

She was intensely interested in the church and Sunday School and always a faithful attendant when health permitted.

She was a great sufferer but patient and cheerful thru it all. She had no fear of death and seemed anxious to be relieved from her sufferings and pass into the beyond and we can not but feel that her peace was made with her God.

She leaves to mourn their loss a father, mother, one brother Ralph of Milford Mich., one sister Georgia together with a large circle of relatives and friends.

Funeral services were held in the Methodist Church 1:30 Wednesday afternoon conducted by Revs. Bowman and Dunham, interment in the Wauseon Cemetery.

CARD OF THANKS

We desire to express our sincere thanks and appreciation of the kindness and sympathy of our friends and neighbors during the sickness and death of our daughter and sister. Also for the help rendered by the nurses from the hospital and for the beautiful floral offerings.

All that the ordinary citizen is interested in during the controversy between the Shipping Board and the United States Mail Steamship Company is whether or not it is going to drive the American flag off the high seas.

The public schools of Wauseon will open September 12th.

HOUSES NEEDED IN FULTON COUNTY

There are 680 new homes needed in Fulton County. That is, this many new houses must be built, according to estimates just made by the United States Department of Commerce, if every family in Fulton County is to be properly housed. At the present time one family in six in this county is without its own home.

Building, on the scale urged by the Department of Commerce, if every family in Fulton County is to be properly housed.

Building, on scale urged by the Department of Commerce, also would go a long way toward beating down high rents charged in many places.

The above figures have been given building and loan institutions, which according to Secretary of Commerce Hoover are the chief agencies for home building.

To build the estimated number of homes needed in the entire county will take approximately \$2,000,000. The assets of all the building and loan institutions in this county are \$500,000 but nearly 100 per cent of those funds already are loaned on homes and these financial institutions at the present are handicapped through insufficient funds in relieving the shortage of home building funds.

"The home shortage can only be relieved by the placing of savings in institutions catering to home financing," according to James A. Devine, secretary of the Ohio Building Association.

Each community will benefit only in turn as it puts its savings into institutions that help to build towns, said Devine.

Every rightful effort should be made at this time to increase construction work especially in buildings of residential type. Such activities not only will help alleviate the ills of inadequate housing, but they will help general business by providing employment for men who are now idle and create business for many lines of industry.

LUTHERAN MISSION FESTIVAL

Next Sunday August 21 the Lutheran St. Jacobs church, so called Leininger church in German Township will celebrate their mission festival in Henry Nofziger's woods one half mile north of the church. Services both in the morning and afternoon. Speakers will be the Rev. O. Ninke and G. Blievernicht of Toledo. Everyone welcome.

WHAT THOMPSON THINKS ABOUT POSTMASTERS

According to Sherman A. Cuneo, Washington Correspondent, our Congressman C. J. Thompson, believes that if it is good for a nation to change executives it is equally good to make changes all along the line from Postmasters up.

Mr. Thompson is represented as holding to the opinion that a new postmaster introduces, new blood, new life and better service and that a Republican postmaster is always better than a Democrat.

CHAUTAUQUA BEST IN NINE YEARS

The Wauseon Chautauqua closed Sunday evening and it can be said it was the best that has ever been given here in the history of Chautauqua.

Every number was excellent and most especially the lectures given by Dr. Ott on Tuesday evening and Judge Kavanagh on Thursday evening. These two lectures alone were well worth the price of a season ticket. Every number was very fine and well attended.

The children were well taken care of by Miss Hughes.

Mr. L. T. Platt of Wooster, Ohio who superintended the Chautauqua this year is a very congenial gentleman and did every thing possible to make things comfortable for every one.

The plays "Nothing But the Truth" and light opera "Pinafore" were delightfully given and enjoyed by all.

Without a doubt Wauseon will be assured of a Chautauqua next year as nearly 670 tickets were pledged.

"OUTSIDE THE LAW"

With the O. K. of America's greatest detective on the script, many of the scenes filmed in the actual localities in San Francisco's slums, and others in an accurate reproduction of the Bay City's Chinatown, "Outside the Law," of China an authentic picture of crime life in its western hotbed.

Will be shown at the Princess Theatre Tuesday and Wednesday August 22-23.

STORIES OF AMERICA AND AMERICANS

The Cleveland to Fort Meigs Mail Route in 1818—An Interesting Bit of History Concerning Early Mail Service in Northwestern Ohio

An interesting ray of light upon the old historical mail routes in this country is found in a letter dated January 22, 1818, and written by Daniel Kelley, postmaster at Cleveland, Ohio to Postmaster General Meigs. The principal points of the communication are as follows:

"Cleveland, Ohio Jan. 22, 1818

Honored Sir—

"As no person has as yet applied to carry the mail from this place to Fort Meigs since the commencement of the present year, on contract, I with it. My opinion is that no man can afford to carry it, is stipulated, short of 1400 dollars, and I think none who are acquainted with the route will undertake it for less. This is even below Mr. Jas. Abbot's statement in conversation with me last fall.

Yours most respectfully,
Daniel Kelley

The fact that this letter refers to a situation in this region that existed only three years after the Treaty of Ghent, which finally settled America's title to this northwestern territory, makes it a very important document.

FULTON COUNTY FAIR WILL BE BIGGEST EVER

The Fulton County Fair will be held five days this year instead of four days as originally announced. Arrangements have been made to make Saturday professional auto race day with a complete program of auto races under track franchise of the International Motor Contests Association.

This means that auto racers of international fame who race at the State Fair Races such as the Michigan State Fair will be on hand to compete on a race day.

Purses will be underwritten through prominent promoters and cooperation of the big automobile and national accessory firms. It is planned to have seven race events of varying distances, including a professional sweepstakes event.

This will be the first auto races of any type to be held on the Fulton County Fair Grounds track and should prove a big feature for the fair. The local directors are following the footsteps of the big fairs of the country by making an added day of the fair an auto race day.

From all indications every day of the fair will be a big day starting with the opening on Tuesday to the close on Saturday. Wednesday will be Derby Day with running races, Thursday and Friday with harness events and Saturday with auto races.

Work is well under way at the Fair Grounds on the completion of the sales pavilion, 66 by 112 feet, the horse barn, 40 by 112 feet and the cattle barn 40 by 200 feet. Bleachers will be erected at the north of the grandstand. Fences and buildings are being painted and whitewash is being liberally used on the fences and stands.

A large display will be made by the International Harvester Co. while the Ford agents of the county will combine for a big display of pleasure and commercial cars and tractors, giving assurance that the fair implement showing will surpass any previous fair. Reservations for space and entries are exceeding any previous year.

Over a score of horses are now being trained on the Fulton County fair track.

BUSSES, BUSSES

Bussees will handle the transportation from Wauseon to the Fulton County Fair.

Sept. 6-7-8-9-10th

A round trip ticket will be sold from Wauseon to the Fair Grounds for TWENTY-FIVE CENTS, delivering the people inside the Fair Grounds.

Tickets for the Fair as well as for the busses will be sold on the First National Bank Corner.

Busses will leave on regular schedule. No wait—No worry.

Commence to get ready to go to the FULTON COUNTY FAIR.

See the new buildings, the improved grounds, Auto Polo, the most exciting game on record.

THE CRADLE OF COURAGE

William S. Hart has policeman's role in his latest picture, "The Cradle of Courage" which comes to the Princess Theatre Friday and Saturday, August 19 and 20th. It is one of the most striking roles he has had in many months.

NAPOLEON—Directors of the Napoleon State Bank and of the Commercial State Bank held separate meetings the first of the week and passed resolutions to consolidate.

Did you ever notice that when somebody wants you to rally around somebody or something, that the rallyer expects to profit by it and about all you get is his best wishes?

RESOLUTIONS OF RESPECT

COUNCIL MEETING

The council met in regular session Monday evening with all members present and Mayor Oakley presiding.

Mr. J. R. Lawrence appeared before the Council in behalf of the T. and I. R. R. asking for permission to put a brace on pole at the corner of Depot and Fulton Street. This was referred to the Street Committee.

Mr. F. J. Spencer appeared for the Northwestern Telephone Co. for permission to put their cables under ground on Fulton Street between Chestnut and Oak Streets. He said that their poles are getting old and will soon have to be replaced and that they want permission to put their cables at the edge of the curb. This will surely be some improvement and will do away with the unsightly poles that are now being used. The Council favored the movement.

Night Watch, Grover Bear appeared before the Council saying that if the officials would not back him up he would resign. He was assured that Council would back him up.

Archie Bundy asked the Council if fire hydrant at corner of Fulton and Commercial street could not be moved. He stated that, on busy evenings autos are parked in front of the hydrant and it would be impossible to get to it in case of fire. Referred to Street Committee.

The Leggett Street sewer was brought up and considerable argument was had over it. The residents on East Leggett Street are asking for relief saying that during wet weather the water from sanitary sewer backs up into their cellars. Council will act under advisement. Regular claim ordinance passed.

OBITUARY

Leona E. daughter of David R. and Jennie Miley, was born May 26, 1878 at Wauseon and died July 28th, 1921 at her home in York Township at the age of 43 years, 2 months and 2 days.

She was united in marriage to Edwin H. Forest Oct. 23rd, 1902 and to this union three children were born, Wilma and Thelma, twins and one who died in infancy.

She leaves to mourn their loss, her husband, two children, father, four sisters and one brother.

She joined the Christian church in 1898 to which she was a loyal member until the time of her decease. She was a loving wife and a devoted mother always willing to do an act of kindness for her friends.

Card of Thanks

We desire to express our gratitude to neighbors and friends who were so kind and helpful to us during the illness and death of our beloved wife and mother, also for the beautiful floral offerings and to the singers and minister for their consoling words.

BASE BALL

Morenci defeated Swanton at Athletic Park Sunday by the score of 6 to 5. The score stood 5 to 1 in favor of Swanton for several innings and looked like defeat for Morenci, but after a three base hit, two doubles and a single in one inning the game took a different swing and Morenci tied the score.

It was only after a hard fight that Morenci got a man around to third and was caught off base, but scored after the Swanton 3rd baseman dropped the ball.
